Subject: RE: Area 7 Maintenance Contract

Peter,

Nor am I FOI Officer.

I have looked at the case and it appears that you asked for a copy of the signed contract for Area 7. Colleagues wrote to you on 31st March to advise that the information was not held.

The response of the 31st also offered the option to be provided with a copy of the blank contract which you agreed to. We have taken the twenty working days to have re-started from your date of clarification.

My colleagues should respond to you on, or before 3rd May.

Regards,

Chris Barnes | Information Strategy and Architecture Manager | IT Directorate
