**Subject:** Highways Agency Chair and independent review

Thank you for your letter of 30<sup>th</sup> March. ([Click](#) to see previous correspondence).

I would very much appreciate it if you could let me have details of the open competition for the appointment for the position of Chairman of the Highways Agency as they become available.

Could you also please keep me posted on the “proposed independent review to determine whether the Government has the most appropriate approach to the operation, maintenance and enhancement of the strategic roads net work”.

Who will be heading up this review and how can I ensure that I am able to make a contribution to their deliberations?

When do you expect the process will be complete and the performance monitoring group set up?

I look forward to hearing from you.
