Applications or Complaints

In this list, the date after the words **Date of Application/Complaint** is the date when the summons was applied for.

011201551867/1 Date of Application/Complaint: 10/04/2012

The complaint is aggrieved by the defacement by litter and refuse of a peice of embankment leading down to Victoria Road in Ruislip Manor adjacent to and just to the South of the railway bridge and on the other side of the road from Ruislip Manor Underground Station, behind a bus stop shelter. The defendant has a duty to keep the said land as far as practicable clear of litter and refuse under Section 89(1) of the Environmental Protection Act 1990. The complainant now therefore makes application to the Court to make a Litter Abatement Order pursuant to section 91 (6) of the Environmental Protection Act 1990 requiring the defendant to clear the litter and refuse away from the said land.
