Subject: Reducing litter caused by 'food on the go'

Attn. John Levitt, DEFRA Press Office (Environmental matters)

John,

Please refer to www.gov.uk/government/publications/reducing-litter-caused-by-food-on-the-go-a-voluntary-code-of-practice-for-local-partnerships

Under detail it says:

“This Voluntary Code in no way stands alone - it is part of a raft of Government measures to make all of us more responsible for the quality of our local environment.”

Can you let me have a list of the measures on the raft please

Many thanks

Peter Silverman
