Subject: RE: Litter on the A180
Sent: Thu, Sep 19, 2013 1:14:00 PM

Dear Mr Blake

I have been asked by my Chief Executive and Cllr Oxby to respond on their behalf to your suggestion that we utilise the highways agency planned road closers in September and October to carry out our legal duty and clear up the litter along the A180. I can confirm we have contacted the highway agencies contractor and they have agree to allow my staff access to work inside their traffic management to complete the litter picking works along the A180. We have staff being inducted on site tonight and will be working along various sections over the next three weeks.

Just to update you as I know you are aware that we are looking to install wheelie bins at every layby within the next one to two weeks which will be serviced weekly. I hope this has given you assurances that we do take our responsibilities seriously and if I can be of further assistance please do not hesitate to contact me.

Glenn
