Subject: RE: Responsibility A66

Carl

When we spoke on 11th April I informed you that DCC have no responsibilities for the A66 and that all maintenance, including litter picking, is the responsibility of A-one +.
I copied you into an email that I sent to J Bennett to inform him that I had spoken to you.
I was not aware that there was an expectation of a further response from Mr Bennett or me.

I suggest that you pursue your enquiry with A-one +
