Dear ██████████

### LITTER CLEARANCE ON TRUNK ROADS

I am writing to you as the local authority responsible for litter clearance along the trunk road network in your part of our region. We would like to thank you for your efforts in the past to clear litter from the trunk road network; your hard work is recognised through our quarterly Area Road Users Satisfaction Surveys where perceptions around littering have shown a 9% improvement on previous surveys.

However, during the past 12 months this office has received a number of complaints from the public raising concerns about the levels of litter on the trunk road network.

We are happy to accommodate your operatives in carrying out litter picking in our programmed closures. If you are interested in utilising any of our planned closures for your litter picking duties, please feel free to contact our Programme Manager, ██████████ ██████████ and he will be happy to advise you.

Yours sincerely,
