Subject: Report 12 - Waste transporters

Dear Mr O'Sullivan,

In [my e-mail of 1st April 2016](#) I wrote to you saying:

Please refer to [Waste falling from transporter on M40](#). What action will HE take in this case? Please copy me in on any correspondence with the offending company.

Tim Reardon wrote to me on 20th April and referred to a joint exercise in which fixed penalty notices were issued to vehicles with unsafe loads but did not refer specifically to the incident I had reported to you.

I now want to report a similar incident. Please refer to [Waste falling from another transporter on M40 – July 2016](#). The photographs were taken from my dash cam and my wife and I witnessed the item of waste falling from the vehicle.

What action did you take in respect to the March incident? Did anyone at HE write or contact the offending company?

What action will it now take in regard to the July incident?

I look forward to hearing from you.

Kind regards

Peter Silverman
